

Competence & Qualification	Crew & Crewing	Maritime Business Skills	Environmental Protection & Energy Efficiency	Management Systems for Shipping Companies	Regulations, Surveys & Inspections	Risks & Emergencies	Safety	Security	Ship Technology	Ship Types	Shipbuilding & Design
MOU Superintendent	Understanding STCW	Introduction to the Maritime Industry	Energy Efficiency on Board e	Basics of a Quality Management System (ISO 9001) for Shipping Companies	Introduction to the System of Maritime Regulations	Maritime Risk Management & Incident Investigation	Understanding ISM e	Maritime Cyber Security Awareness e	Ship Technology Basics	Bulk Carriers – Technical and Operational Aspects	Basics of Classification
Superintendent Course	Crew Management - The role of the Crew Manager	Communication Skills in an Intercultural Environment	Approved HazMat Expert Refresher		Hull Inspection Course	Emergency Preparedness & Crisis Management	Understanding SOLAS	Understanding ISPS e	Ship Technology Basics SSP	Container Ships – Technical and Operational Aspects	Cruise Ship Essentials Training for Shipyards
Superintendent Course SSP	ISM in Practice for Crew SSP	Leadership and Teamwork in Shipping	Biofouling Management and In-water Cleaning	Basics of an Environmental Management System (ISO 14001) for Shipping Companies	Hull Inspection & Repairs SSP	Handling the Media Effectively - Role of the Spokesperson	Behaviour Based Safety	Cyber Security in the Maritime Industry	Additive Manufacturing for Maritime - Industrialisation & Quality Assurance	LNG Carriers	Developing a Welding Procedure Specification (WPS)
Training for Assessors	MLC 2006 – Compliance and Inspections	Safety Culture and Leadership in the Shipping Industry	Decarbonizing Shipping		Inspection of Engine Room Condition and Safety for Captains	Media Handling Awareness Course for Shipping Companies	Designated Person Ashore - Refresher training	Fleet Cyber Security Officer		LPG Carriers	Dynamic Positioning System
Train the Trainer for the Maritime Industry		Shipping Finance - Understanding and Creating New Perspectives	IHM Maintenance Implementation for Designated Persons	Energy Management (ISO 50001) for Shipping Companies		HAZOP Leader Course	Maintenance of Lifesaving Appliances & Fire Fighting Equipment	Internal Auditing of Cyber Risk Management	Best Practices in Docking Management	Oil and Chemical Tankers – Technical and Operational Aspects	FLNG -System
Superintendent Training – Managing Day to Day Operations		The Art of Presentation	Optimizing Waste Management on Board	Implementing an OH&S Management System (ISO 45001) for Shipping Companies	Machinery Surveys & Damage SSP	Marine Insurance & Claims		Port Facility Security Officer (PFSO) Training Course	Dry Docking SSP		Hull Piping & Statutory Design
			Practical Guide to Antifouling Management & ISO 19030		Marine Operations Standard DNV ST N001	Practical Incident Investigation & Root Cause Analysis	Designated Person Ashore	Company Security Officer	Hull Structure Course – Oil Tankers and Bulkers		Introduction to Classification SSP
			Ship Energy Efficiency in a Nutshell	Integrated Management Systems in Maritime (ISM, ISO 9001, 14001, 45001, 50001)	Navigational Assessments and Audits	Practical Marine Risk Management & Management of Change	IMDG Code Training	Company/Ship Security Officer (CSO/SSO) Training Course	LNG as Ship Fuel		Newbuilding Hull Inspection SSP
			SOx Scrubber Retrofits		PSC Interactive Workshop	Refresher - Incident Investigation & Root Cause Analysis	Internal Auditor ISM SSP		Understanding Digital Transformation		Newbuilding Site Supervision SSP
			Voyage Optimization	Internal Auditor ISO 50001:2018 for Shipping Companies	SIRE 2.0 and Human Factors Management		Internal Auditor ISM		Propulsion Shaft Bearings – Maintenance & Damage Handling		
			Approved HazMat Expert	Internal Auditor of an Integrated Management System in Maritime (ISO 9001,14001,45001)	Smart Use of Class - Explore the benefits SSP	Understanding & Using M-SCAT for Marine Incident Investigation	Internal Auditor ISM-ISPS-MLC for Shipping Companies				
					Statutory Inspections - SOLAS, Loadline, MARPOL SSP						
					Surveys & Certificates						
					Vetting Inspections for Bulk Carriers						
					Vetting Inspections for Tankers						

Standard Advanced Exam Course

SSP Survey Simulator Practice – see page 7 of the Maritime Academy brochure
